DIRECTOR'S MESSAGE

RIKANTA
INSTITUTE OF SKILLS &
TECHNOLOGY (RIST)
• LEARN • GROW • LEAD

Dr. Saurabh Bhardwaj

M.Sc., Magadh University
Gen AI Training – IIT Patna

Founder & Director

RIKANTA Institute of
Skills & Technology (RIST)

*Dear Students, Parents
and Well-Wishers,*

It gives me immense pleasure to welcome you to RIKANTA Institute of Skills & Technology (RIST), a modern institution dedicated to transforming education through innovation, technology and skill development.

We are living in an era where the world is changing faster than ever before. Artificial Intelligence, Digital Technologies, Automation, Entrepreneurship and Professional Skills are redefining industries and creating new opportunities every day. In such a rapidly evolving environment, traditional education alone is no longer sufficient. Today's youth need practical skills, industry exposure, technological understanding and the confidence to lead in the future.

With this vision, RIKANTA Institute was established to bridge the gap between conventional education and real-world career opportunities. Our mission is to empower students with future-ready skills that help them secure meaningful employment, launch successful businesses and contribute positively to society.

At RIKANTA, we believe that every student possesses unique potential. Through our carefully designed programs in Artificial Intelligence, Web Development, Digital Marketing, Entrepreneurship, Skill Development, Professional Diplomas and Career-Oriented Training, we aim to unlock that potential and guide students toward excellence.

Our institute is committed to providing an environment that encourages creativity, innovation, discipline and continuous learning. We focus not only on academic and technical knowledge but also on personality development, leadership, communication skills and professional ethics. These qualities are essential for success in today's competitive world.

We envision RIKANTA as more than just an educational institution. We aspire to become a platform where dreams are transformed into achievements, where ideas become innovations, and where students evolve into confident professionals, entrepreneurs and leaders.

The future belongs to those who are willing to learn, adapt and innovate. I encourage every student to embrace new technologies, develop valuable skills and prepare themselves for the opportunities of tomorrow. The journey of growth begins with a single step, and RIKANTA is proud to be your partner in that journey.

On behalf of the entire RIKANTA family, I extend my heartfelt invitation to join us and become a part of this transformative mission. Together, let us build a future filled with knowledge, innovation, prosperity and success.

I wish all our students a bright future and a successful career ahead.

Learn. Grow. Lead.

SCHOLARSHIP CALCULATION

We believe in rewarding your hard work. The more you score, the higher your scholarship!

SCHOLARSHIP SLABS

MARKS (%)	SCHOLARSHIP	YOU PAY (ON ₹60,000 COURSE)
90% - 100%	80% Scholarship	₹12,000
80% - 89%	70% Scholarship	₹18,000
70% - 79%	60% Scholarship	₹24,000
60% - 69%	50% Scholarship	₹30,000
50% - 59%	40% Scholarship	₹36,000
Below 50%	30% Scholarship	₹42,000

EXAMPLE CALCULATION

Course Fee: ₹60,000 | Student Score: 60%
According to the slab, Scholarship = 50%

Total Fee
₹60,000

Scholarship (50%)
- ₹30,000

Amount You Pay
= ₹30,000

PAYMENT OPTIONS

OPTION 1: ONE TIME PAYMENT

Pay ₹30,000 at the time of admission and get flat 50% Scholarship.

OPTION 2: TWO TERM PAYMENT

If you are unable to pay full amount, you can pay in 2 terms:

1st Payment
₹15,000
At the time of Admission

2nd Payment
₹15,000
After 3 Months

FLEXIBLE PAYMENT | EASY PROCESS | STUDENT FRIENDLY

ADMISSION PROCESS

Simple Steps to Start Your Journey with RIKANTA

Step 1
Inquiry & Counselling

Step 2
Choose Your Course

Step 3
Fill Admission Form

Step 4
Submit Fee Payment

Step 5
Start Your Learning Journey

FLEXIBLE CLASS MODE – LEARN YOUR WAY

We offer multiple learning modes to fit your schedule and needs.

ONLINE CLASSES

- Live Interactive Classes
- Recorded Lectures
